

DC Client Visual Campus Tour

Conceived and Produced by
Rachel Halsey & Daniel L. Haley

Let's Get ORIENTED!

Charting your arrival to WSU

Bustad Hall
Parking Lot

From
Downtown
Pullman

Stadium Way

From Moscow, ID

Where should I park on campus?

Welcome to beautiful Bustad Hall!

Note: DC's are not held in this building,
though it's central location make it the ideal
parking facility for DC Clients

The visitor parking pass you received allows you to occupy any non-service vehicle parking space in the Bustad parking lot

Double-check your parking pass is properly filled out and clearly displayed

Now follow the leader...

First, follow the sidewalk that runs directly in front of Bustad Hall towards *Stadium Way*

Cross *Stadium Way*...

...And you'll see the confluence of
Stadium Way and *College Ave*

Follow *College Ave* up the hill

Proceed up *College Ave*

14 FT 7 IN

Continue to follow *College Ave.*
Nearly there 😊

DC's are held in the sky bridge shown here. Clients should enter through the Owen Science Library

Client Entrance

Having entered
the Owen
Science Library
foyer, proceed
up the single set
of stairs to the
sky bridge
above and...

CONGRATS!
You made it 😊

Where do role-plays take place?

The sky bridge is equipped with 10 identical suites, each containing two rooms—one for role-playing with students and another for facilitator observation

Each client will be assigned to one room where they will role-play with students throughout the week

Need a snack?

Between role-play sessions clients are invited to take advantage of the nearby coffee kiosk located in neighboring Cleveland Hall

Turn left and proceed down to the ground level of Cleveland Hall to find...

A wide array of rejuvenating beverages and tasty treats

YUMMY!

This concludes our tour!

We—the DC team—strongly recommend that you review this brief presentation prior to your arrival so the images and route are fresh in your mind.
